

The Fog Horn

- Use the words from the box to complete the paragraphs.

subterranean	apparatus	primeval
lament	anguished	

Before beginning their exploration, Pamela and Lee made one last check to make sure that each breathing _____ was functioning correctly. They would need a supply of oxygen so far underground. As they descended into the deep _____ cave, Pamela marvelled at the ancient rock formations. She knew they had probably been growing since _____ times.

Suddenly, Pamela heard an _____ cry of pain from her companion.

“What is it, Lee? Have you hurt yourself or are you just singing a _____?”

- Write each word from the box before its definition. Then write a sentence using that word.

1. _____ an expression of torment or grief

2. _____ materials or equipment for a particular use

3. _____ of the earliest ages

4. _____ filled with agonizing physical or mental pain

5. _____ beneath the earth's surface
