11. **Everyone** in your study group is to **make up a vocabulary quiz** using the words from **list one**. **Please include a place for the name, date, etc.** I suggest a matching quiz. This is the format that will be used on the test. When all are finished making up the quiz, **each person** in your group is to **complete another person's quiz** from your group. Next, when all are finished taking the quizzes, return the quizzes to the quiz creator. **That person is to grade the quiz** using the scale on the board. **All completed quizzes are to be passed in to me. The quiz creator needs to sign the bottom of the quiz. The quiz taker's name should be in the "name" space provided at the top.** See me if you have any questions.
